SPECIAL CLASS.

Dr. L. C. Coleman had been given a special personal place in this class immediately below the Members of Council. His name may be omitted from the list.

CLASS I.

The officers included in this class are generally heads of major departments carrying a pay of Rs.1400 and above. Under the present arrangements these are to take rank in the order in which the posts are shown in the list. (In the lower classes they take rank according to the salaries drawn by them and the date from which the salaries are drawn) There are a number of posts in Class I carrying the same pay, and as matters now stand an officer newly appointed (even in an officating capacity) to a particular post may go above other officers permanently occupying other posts carrying the same pay for long periods. It is for consideration whether the undermentioned posts to which a pay of Rs.1400 is attached ~~marked in the margin~~ may not be treated as having an analogous status, the incumbents of the posts being allowed to take precedence interse according to the date from which they may be occupying the posts permanently.

Vide note 1(a) to the Precedence List.

N.B. Individuals drawing higher personal pay may be given special place if necessary, (Vide Mr. Hamilton - Rs 1500)

The following are special cases:-

1. Chief Commandant. - The sanctioned scale of pay of the post is only Rs.1000-100-1400, though Col. Loch draws Rs.1500. The post has been ranked above other Heads of Departments. This appointment is of a special nature and the present rank may perhaps continue.

2. Agent, Mysore Railways. - The scale of pay of the post is not fixed and the emoluments have varied with individuals. Mr. A. A. Khan was drawing Rs.1,900. The new Agent (Mr. Sinclair) will draw Rs.1500 and is a European. The rank to be assigned to him is for orders.

3. Financial Secretary. - The rank of this post was fixed just below that of Chief Secretary in 1919. The pay of the post was formerly Rs.1400, but now it is altered to "grade pay" of officer plus a duty allowance. The present incumbent has been drawing a consolidated personal pay of Rs.1400. Whether the post as such need continue in Class I is for orders.

4. Director of Agriculture.

4. The pay of Mr. A.K. Yegnanarayana Iyer as Director of Agriculture has been fixed at Rs.1200. Whether this post need continue in Class I is for consideration.

Class II of Precedence list

(i) Director of Health may be included in the list.

(ii) Registrar, Mysore Univ. may go to class III.

REVISION OF DURBAR PRECEDENCE LIST:--

When the above question was informally discussed at a meeting of the Council last year, the following tentative views were recorded:--

(1) (i) Director of Agriculture
(ii) Director of Health
(iii) Survey Superintendent. } To go into Class I.

(2) Registrar, Mysore University. To go into Class III.

(3) The names of Mr. Krumbiegel and Dr. Coleman may be omitted.

2. There is no difficulty in giving effect to (2) & (3) above. In regard to the additions to Class I proposed above, the position has somewhat changed in view of the recent revision of the scales of pay in many of the Departments. In the printed copy of the Precedence List put up herewith, the pay of the several posts included in classes I and II, as it now stands, has been noted against each, though the present incumbents have in some cases been drawing a higher personal pay. It is seen therefrom that of the officers now in class I, the following draw a pay up to Rs.1400/- and above:--

Puisne Judges of the High Court ..	Rs.1,500/-
Revenue Commissioner,	Rs.1,400/- (fixed).
Inspector General of Police,	
Excise Commissioner,	
Agent, Mysore Railways,	
Chief Engineer and Secy, P.W.D.,	
Chief Electrical Engineer,	
Chief Secretary to Govt.	
Director of Public Instruction	Rs.1000-100/1-1
Chief Commandant	

Financial Secretary .. Rs.1,400/- (Personal).

Re: the Financial Secretary, though the general order now in force fixes the pay of the post at the grade pay of the officer plus 150/- D. A.; it was previously Rs.1,400/- p.m. and this pay is being practically drawn by successive Financial Secretaries. The rank of the post was fixed just below the Chief Secretary in 1919 and it has all been recognised that the status of the Finl. Secretary is above that of the other two Secretaries in the general line.

All the above officers may continue in Class I.

3. The pay of the marginally noted posts now in Class I has been reduced to Rs.1000-1200, and their status may now correspond to that of the undermentioned Heads of Departments (or that of Dy. Commrs.)

Director of Agriculture.
Senior Surgeon.

In Class II

Comptroller .. 1000 - 1200.
Chief Conservator.. 1000 - 1200.
Dir. of Ind. & Com.. 1000- 1200 (if not a Dy. Comr.)
Regr.of Coop.Societies. 700-1000 (--do-)
Survey Supdt. 800 - 1000.
Director of Health 800 - 1000.

It is for orders whether all the above officers (including the Senior Surgeon and Director of Agriculture now in class I) may not be appropriately put in Class II as their maximum pay does not go above that of a Deputy Commr., the present incumbents being given a higher personal rank, if necessary (e.g.Dr.S.Subba Rao)

The

4) The post of Registrar, Mysore University, may as already decided be transferred from class II to class III.

5) One other point for consideration in this connection is the question of relative rank of officers in the same class. Under existing orders, officers of class I take rank in the order mentioned in the list, while officers in the other classes may take rank according to the salaries drawn by them. It may perhaps be more convenient if the latter criterion is applied in the case of officers included in Class I also, and if the rank inter se among officers holding posts carrying the same scale of pay in this class also is guided by the pay drawn by an officer and the date from which he has been drawing the same. This will avoid the contingency of an officer newly appointed as Head of Department (even acting) going above others who may have been drawing Rs.1400 permanently for year

Revision of the Precedence List.

The list now in force is, in the main, one that was approved in 1917, after a comprehensive and detailed examination of the question by a special committee appointed for the purpose, and further scrutiny by Government. Some changes have been made in it, from time to time, in the light of changing circumstances, due to creation ~~of new posts~~ or abolition of posts, revision of the salary of particular officers etc. A copy of the list as it now stands is put up for reference.

The analogy of the Warrant of Precedence of India was also kept in view in the preparation of our List and the order of Precedence in British India is generally followed, except where local conditions have demanded a modification. For instance in Madras, the Chief Secretary is given a place higher than Heads of Departments (including Members of the Board of Revenue), and other Secretaries to Government also rank higher than some Heads of Departments The pay of these officers is also comparatively higher there The Vice-Chancellor is ~~also~~ ranked just below Members of Board of Revenue in Madras whereas in Mysore he is included in Special Class. (The Present incumbent Dr. Metcalfe draws Rs 2000). The Warrant of Precedence is a long and complicated document containing over 60 ~~numbers~~ [groups] and precedence follows the order of the ~~numbers~~, while officers included in one

and the same group take rank inter se according to the entry into the number. The Mysore List is a more simple one and all officers are grouped in only 6 ~~broad~~ classes. [Part II of the Mysore List re: Non-official gentlemen, other than retired officers, seems to have no counterpart in British India.] Further, it is only in Class I that the relative rank of officers follows the order in which the names are mentioned, while in respect of the lower classes, officers in any class take rank according to the salaries drawn by them and the exact order in which they are mentioned in the list is of no particular ~~significance~~ importance.

Vide Note 1 (a) & (b) to Precedence List (Part I)

3. The scales of pay of the higher staff in several departments have been revised recently and in view of this the relative rank of some of the officers in Classes I and II of the Precedence List requires readjustment. Class I of the List is ~~expected~~ intended to include only the major Heads of Departments etc., drawing a pay of Rs.1400 and in this view some of the Heads of Departments (Comptroller, Survey Superintendent and Sanitary Commissioner etc.) were transferred from Class I to Class II in 1919. Class II is ~~intended~~ to include other Heads of Departments and officers of about the status of Deputy Commissioners. In the accompanying statement, the scales of pay of the several posts in classes I and II as now revised are indicated. In the light of the principles enunciated above, the following modifications are suggested:-

B & C

D

Special Class.

The name of Dr. L.C. Coleman who had been specially included in this, may be omitted(as already decided in Council).

Class I.

The pay of the following posts now included in this class carry a pay lower than Rs.1400

Chief Commandant	1000-1400	(This is the sanctioned scale of the post for a long time past).
Director of Public Instruction.	1000-1400	As recently revised.
Senior Surgeon.	1000-1200	
Director of Agriculture.	1000-1200	

The Senior Surgeon and the Director of Agriculture may be transferred to Class II, as the maximum pay of these corresponds to that of a I Class Deputy Commissioner. The present incumbent of the post of Senior Surgeon who is drawing Rs.1400 for over 6 years may continue to have a place in Class I as a personal rank.

The Chief Commandant and the Director of Public Instruction may continue in Class I as the maximum pay of these goes up to Rs.1400/-. The Director of Public Instruction may perhaps be placed below those drawing a fixed pay of Rs.1400 i.e., last in Class I, the present incumbent Mr. N.S. Subba Rao being given a higher personal rank if deemed necessary.

The Chief Commandant, however, seems to

lower status. The present scale of the post is Rs.400-700, while the ~~existing~~ present incumbent is actually drawing Rs.400 (fixed). His appropriate place will be in Class III and this proposal has been agreed to in Council already.

3. In addition to the above proposals, the following points are also raised for consideration as directed:-

(i) Place to be assigned to Dr. J.F.Robinson, Durbar Surgeon. (Rs.2000)

(ii) The Rank of the Principals of the two Arts Colleges. At present, the Principals of Colleges are not given separate rank. They are included in Class II along with other Professors of the First Class. According to the Civil List, the Principals and Senior Professors appear in one list in the following order:-

(1)	Mr. E.G. Mc Alpine	Rs.1000+150 A from 8-10-25.	Principal, Central College from 1934.
(2)	" A.B. Mackintosh	do.	
(3)	" A.R. Wadia.	Rs. 1000 from 2nd January 1928.	
(4)	" J.C. Rollo.	Rs. 1000+150 A from 8-10-25.	Principal, Maharaja's College, from 1928.

It appears desirable to rule that Principals of the Central and Maharaja's College will take precedence over all Professors. If it is further ruled that as between themselves, they will take precedence according to the length of service as Principal, Mr. Rollo will get precedence over Mr. Mc Alpine also.

(*c*) Officers holding acting appointments will take rank in the class wherein the appointment in which they act is included.

The Principals of the Central and Maharaja's Colleges will take precedence over the Professors.

III. When there arises a question as to one's proper position in Durbar, it may be referred to the Durbar Bakshi or other Palace Officer entrusted with the Palace Durbar arrangements, who will allot a place tentatively pending His Highness's pleasure.

IV. The order of precedence set forth above for officers on active service will be made applicable to retired officers as well, their position being determined by the posts held by them at the time of their retirement, subject to the proviso that when there are two or more retired officers of the same rank, they should take precedence among themselves according to their seniority.

V. In accordance with the *mamul*, officers mentioned in Part I will be seated in order on the right of His Highness the Maharaja, beginning with the front row.

VI. Retired officers will be seated after officers in active service of the same rank as that held by them prior to their retirement. Retired officers, whose appointments have been abolished or the status of whose appointments has been changed subsequent to their retirement, will continue in the same class and hold the same relative rank in such class as before their retirement.
